Ninja Networks and Affiliates

As a Web Ninja affiliate you join a network of companies that trust us to deliver the best ecommerce and CRM solution for their clients.

If you have customers that need an ecommerce solution, a CRM, integrated Ebay store or just a beautiful design, give the Ninja's a call today. Hundreds of businesses rely on the Ninja's to help them make selling their products easier and their businesses better.

How does it work?

- Once you are registered as a Web Ninja Partner..
- Simply refer a client or contact in need of our services to Web Ninja (make sure you let us know by registering the lead with us).
- Web Ninja will contact the potential client and quote a solution based on their requirements.
- You receive a referall fee on webstore project costs.
- You also receive referall fees on the upfront CRM software cost.

Best of all there is no charge to you - ever!

Joining our partners and affiliates program is 100% free.

All partners and affiliates are encouraged to market Web Ninja to potential clients via our online and physical marketing packs. Partners can use both online and physical marketing packs to help them promote Web Ninja.

By completing and returning this document to Web Ninja you agree to Web Ninja contacting any client referred to them on your behalf to quote integrated e-commerce and CRM solutions. A commission of the web store project cost will be paid to the you for every client you refer to Web Ninja that results in a sale. Clients may be referred to Web Ninja via phone, email, fax or verbally. A client will be deemed a referral once the quote is accepted and the initial deposit is paid, and both the partner, client and Web Ninja have confirmed the client as a referral. Commissions are only paid for the initial referral / job referred to Web Ninja. Ongoing or additional work requested including but not limited to graphic design, marketing and printed material, custom development features, e-mail marketing and project management time are not included if sold after the initial sale. Commissions are paid monthly based on paid customer invoices.
